

PUNS HAVE VERY NARROW ESCAPE

Diamond Heads Give Them All They Can Handle in Ball Game.

The baseball games yesterday furnished two surprises. In the first contest the Kams defeated the heretofore invincible St. Louis Alumni, and in the second contest match the Diamond Heads, which have been considered to be much the weakest team in the league, made the Puns stretch to the limit in order to win out. The first game was not the same brand of ball which the teams have been putting up of late, but was a medley of errors in which both teams shared. The Puns happened to be a little luckier than the Saints and they managed to win out. The first four innings of this game saw two pitchers knocked out of the box, though if they had been given proper support not a run would have been scored. After this the boys got down to work and put up a pretty fair article of ball.

The Puns had the hard luck which has become a tradition on this team. Before the game commenced Captain Eddie Desha hurt his knee and had to give up the idea of playing. Then later on Hannah, who had been putting up a fine game, was hit on the elbow by a pitched ball, and he, too, was compelled to retire.

KAMS. VS. SAINTS.

St. Louis won the toss and took the field. In the first the Kams were unable to score, though En Sue gave them a good chance by dropping Lemon's grounder. The Saints started off in their old style of last year. En Sue was the first man up and beat out a bunt, stole second and then spoiled it all by trying to get home on a high throw to first. Williams scored Evers and Busnell with a hit to right, and Gleason brought him home by driving a hot one through short.

The Saints did not score again till the third, when Lota came in to take Kaanol's place in the box. He was hardly a success, as he was wild as a hawk, and between this and the errors which his fielders made, four more runs resulted.

Then the score stood 7-0 against the Kams and they began to start something. The Saints began to make errors and they were wonders at it after they started. Four runs was the total of the Kams' gain for the fourth inning. The fifth saw a change of batteries. Busnell replaced Burns in the box and Joe Fernandez went out to left field. The latter was responsible for a run almost immediately, when he misjudged a fly which Lemon stretched into a three-bagger and which also brought Sheldon home. En Sue allowed Lemon to score on a poor throw which he made of Jones' grounder.

From this time till the eighth neither side scored, though the Kams got men as far as second several times. In the seventh Sheldon made a clean hit to left center which was followed by Lemon's out on a fly to short. Jones struck out. Vannatta made a nice single between third and short, sending Sheldon to third, where he died when Miller fanned three times, after having three balls and no strikes.

Lo On started the second half of the seventh by striking out. Pat Gleason waited well and got his base on balls. Fernandez made the second out on a fly to second. Gleason stole second and went to third on Jones' high throw. En Sue knocked two fouls over the left field fence in succession, and finally went out, short to first.

Here the Kams tied the score. Reuter hit to center, Kubina following with a clean single to left. Reuter stole third on En Sue's fumble and came home on a slow throw across the diamond to catch Kubina. Fern went out on Busnell's one-handed catch of his liner.

Evers hit to Sheldon, who fell down in making the stop, but caught his man at first by a fine throw. Busnell struck out. Williams went out on a high bouncer to short stop.

Sheldon took second to Lo On's error and got to third on Lemon's fly to the same place. Jones struck out. Sheldon scored on a passed ball, Vannatta going out, pitcher to first.

Louis went out on a grounder to first. Aylett flew out to second. Lo On dropped a ball alongside of the plate, getting to first. Gleason went out on foul to short, ending the game.

GUN CLUB SHOOT GREAT SUCCESS

No High Scores Made but a Very Pleasant Day Is Enjoyed.

The annual shoot of the Hawaiian Gun Club, held yesterday afternoon at the Kakaako traps, proved to be one of the most successful which has ever been held in these islands. The shooting as a rule was not up to the usual standard, the hot weather probably being the most important cause of the apparent lack of skill on the part of men who usually make fine scores. Lunch was served at the clubhouse at noon and a number of visitors who had never before visited the club at its new quarters were present during the day.

The results:
Twenty-bird scratch, known angles—Won by D. L. Austin, 18 out of 20.
Ten-bird scratch, unknown angles—Won by J. W. Harvey, 7 out of 10; I. Spalding, second; K. B. Porter, third.
Ten-bird scratch, known angles—J. Williams, first; W. E. Roberts, second; K. Ono, third; Mrs. Scott, fourth.
Twenty-bird handicap, known angles—J. A. Robb, first; J. W. Harvey, second; E. Kopke, third; D. L. Austin, fourth.
Twenty-bird handicap, known angles—J. A. Robb, first; A. Waterhouse, second; G. Macy, third; C. Ming, fourth.
Twenty-bird handicap, known angles—J. A. Robb, first; A. Waterhouse, second; K. B. Porter, third; D. L. Austin, fourth; J. Connor, fifth.
Ten-bird handicap, known angles—J. Connor, first; F. B. Damon, second; G. A. Jordan, third.

BIG FIGHT ON JULY FOURTH

SAN FRANCISCO, May 23.—Checks for \$11,000, representing the side bets and forfeits of the fighters, as well as the guarantee of Promoter Jimmy Coffroth, were posted with the temporary stakeholder at the Willis last night, insuring the forty-five-round contest between Bill Squires of Australia and Tommy Burns, that will take place at Colma on the afternoon of the Fourth of July. Whatever disputes appeared before the conference last night to indicate that the fight might not take place, were lacking when Burns and Reynolds came together.

POLO PRACTISE CLEAN AND FAST

The polo game which had been postponed from last week was played yesterday at the Moanalua grounds and, notwithstanding the warm weather, was a great success. To make matters still more satisfactory, the score was a tie, both the Bays and the Grays scoring three times. C. H. Cooke was out with the Bays, playing for the first time this season. When it is considered that he has had no practise, he put up an unusually fast game.

Dr. J. S. Crumblin, secretary of the Kansas state board of health, believes that the general health of the people is improving, and that it is due to the automobile. The automobile suppresses the horse, and the horse, when it stands around, is attended by a lot of flies. These flies, Mr. Crumblin claims, are responsible for a great deal of sickness.
